

Age manager accreditation process

New Age Managers

New Age Managers to your club are required to:

1

- Have a current WWCC registered on their Surfguard Account
- Have completed the online Child Safe Awareness Course via the LSV training platform [LSV Member Training Portal](#)
- Have completed the Age Manager Online Course via the LSV training platform [LSV Member Training Portal](#)
- Watch the Skills Maintenance video for the relevant year, this will provide your Age manager with a 12-month proficiency.
- Complete two on the beach training sessions with your clubs age manager mentor

Year on year update

2

To update your Age Manager proficiency each year Age Managers are required to:

- Watch the Skills Maintenance video for the relevant year, this will update the expiry on Surfguard for another 12 months. You can watch the proficiency video on [LSV Member Training Portal](#)
