- Beach, watercraft and water swim disciplines
- Junior, youth and open competition
- State and national lifesaving sport
- Coach and Team Manager development and selection

The final Committee composition will seek an appropriate balance of skills, experience, disciplines and perspectives.

- Opportunities for athletes to develop and progress
- Victorian representative team selection
- Fair, transparent and merit-based selection processes
- Coach and Team Manager selection and development
- Athlete development and performance opportunities
- Continuous improvement of Victoria's athlete pathway and performance system
